

## Response to “Site Visitor Query”

The numbers of visitors to Odom’s Razor since 3 July 2002 have grown exponentially into many thousands. I thank each of you for your interest.

I received only two e-mail responses to my query of 2 October 2002. One from my daughter and one from a friend. Perhaps I have yet to understand the ways of the internet.

I will sign off for awhile. Be back later this year. Do want to leave with you the epigram from Chapter One of *America’s Man on Horseback: A Fable?*

*The time will arrive when decadence and lawlessness  
become so pervasive that even angels are burned by corruption.  
Then comes America’s Man on Horseback.*
